

# How to connect to MS Learning Campus

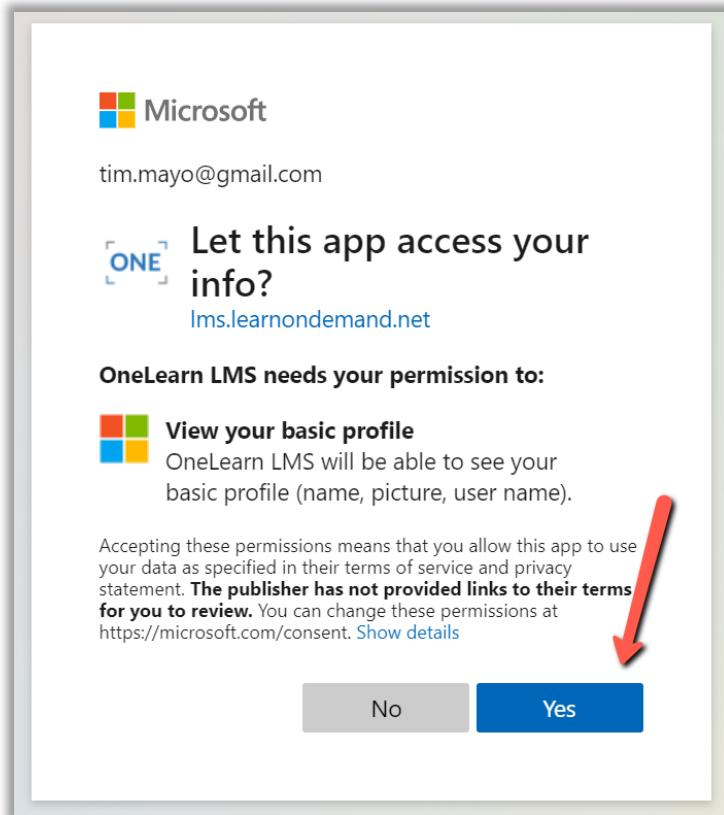

1. Go to <https://aka.ms/LearningCampus>, click **Sign In**, click **Microsoft Account**:

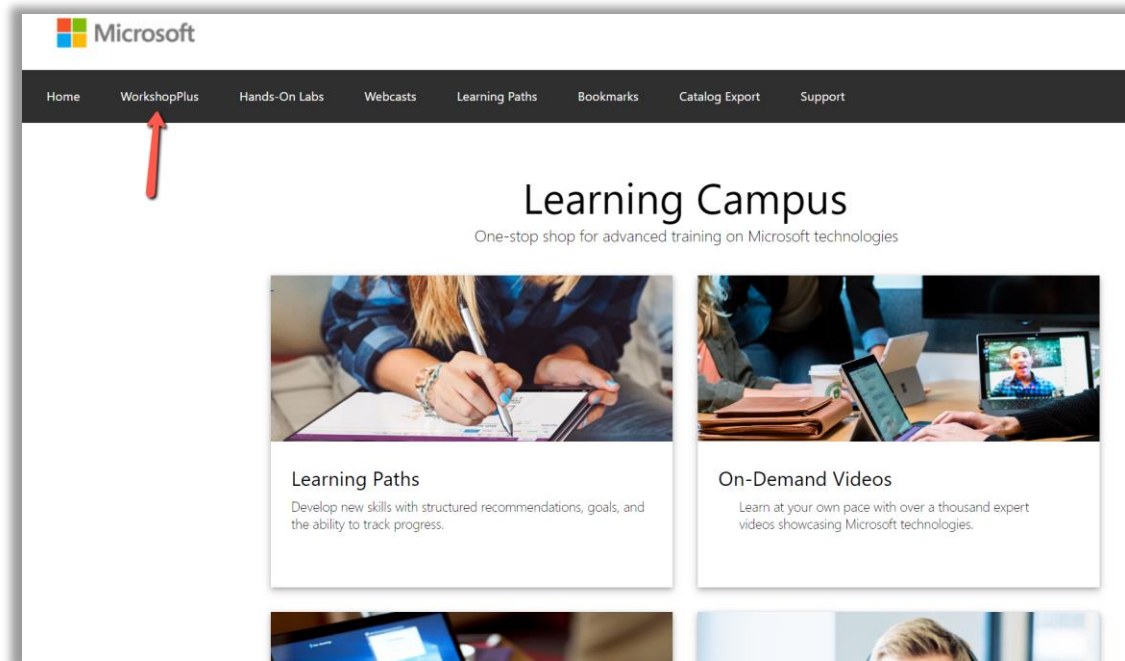

2. Sign in with your Microsoft Account:

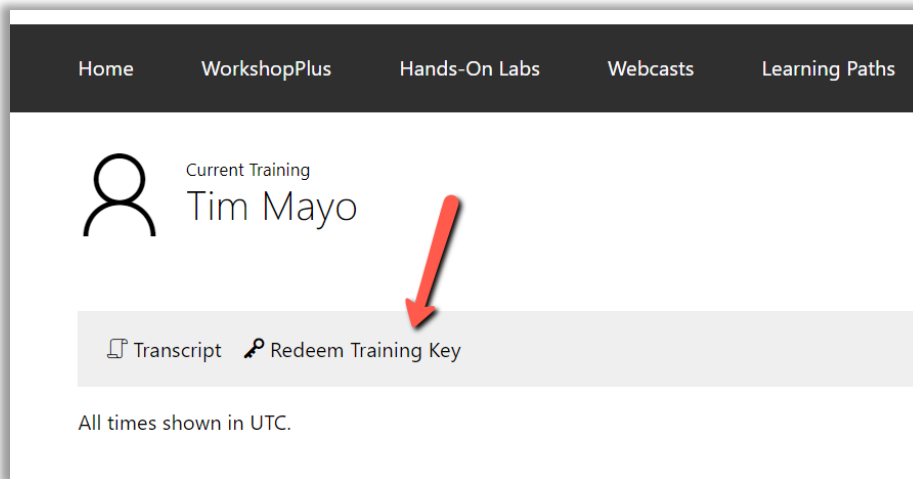

3. Let **Learning on Demand** have permission to view your profile

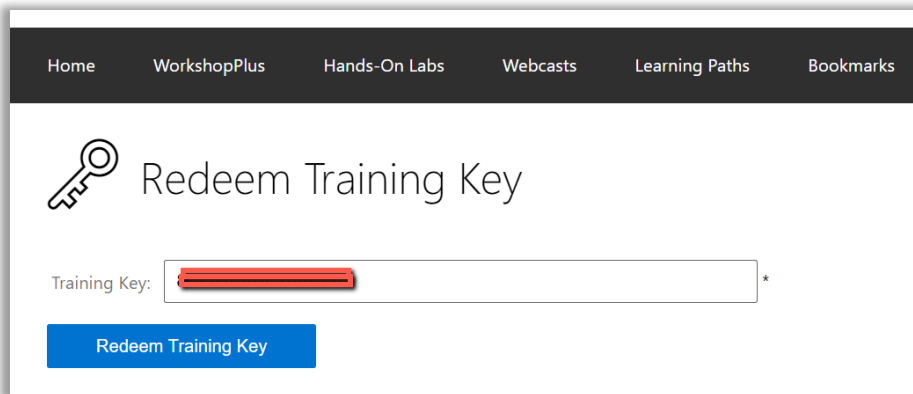

4. Go to **WorkshopPlus**, click **My Training**:

5. Click on **Redeem Training Key**:

6. Enter the Training Key provided by your instructor, click **Redeem Training Key**:

7. You are now enrolled, and you can use the link to the lab at the bottom of the page to launch the Lab:

The screenshot displays the Microsoft Learning portal interface for a user named Tim Mayo. The top navigation bar includes links for Home, WorkshopPLUS, Hands-On Labs, Webcasts, Learning Paths, Bookmarks, Catalog Export, and Support. The main header shows the user's name and the course title: 'WorkshopPLUS - Power Platform for Administrators'.
